Knowle, some Parkland & Two Car Parks

It's official! The Council WILL sell its Sidmouth HQ to a private developer, for housing, and build new offices in Honiton or possibly Cranbrook. (Decided at EDDC Cabinet meeting last Wednesday, 17th July).

But will this relocation project be a costly white elephant for East Devon taxpayers?

NB A similar project in W Dorset cost £9.7 million... to achieve an annual saving of only £224,000— estimated payback 43 years! See W Dorset office move to Charles Street leaflet (available online)
