

# **PUBLIC EXHIBITION**

**Lumicity would like to invite you to find out more about its plans to install a solar array at East Hill Strips, Sidbury.**

We will be applying to East Devon District Council to install a solar array on land to the north-west of Sidbury and will be holding a community drop-in to display and discuss our plans on:

**Friday 24 January 2014  
2.30pm to 7pm**

**at**

**Sidbury Village Hall, Fore St,  
Sidbury, EX10 0SD**

Representatives from Lumicity and the project team will be available to answer questions and explain the proposals in greater detail. We want to work with the local community and welcome your comments and feedback as part of the consultation process.

If you would like to speak to someone about this project, please call PPS who are organising the drop-in on Freephone 0800 169 6507.
